VISA REQUIREMENTS

EU nationals
EU nationals do not require a visa to enter the Federal Republic of Germany.

Non-EU nationals
Generally speaking, all other foreigners *require a visa* for stays in Germany. A visa is not required for visits of up to 90 days in an 180-day period for nationals of those countries for which the European Community has abolished the visa requirement.

You will find an overview on visa requirements here:
http://www.auswaertiges-amt.de/EN/EinreiseUndAufenthalt/StaatenlisteVisumpflicht_node.html

Bodies responsible for issuing visas
Under German law (section 71 (2) of the Residence Act), responsibility for issuing visas lies with the missions of the Federal Republic of Germany, i.e. its embassies and consulates-general. In principle, the Federal Foreign Office is not involved in decisions on individual visa applications, nor does it have any knowledge of the status of individual applications being processed by the missions.

Ratione loci competence (local responsibility) for issuing the visa lies with the mission responsible for the area in which the applicant has his/her ordinary residence or domicile.

Ratione materiae competence (subject-matter responsibility) lies with the mission of the Schengen state in whose territory the sole or main destination is situated.

If you need an invitation letter from the German Karate Federation, please send an email to info@karate.de with the details listed below for all members of your delegation:
