GUAYAQUIL

Guayaquil, officially Santiago de Guayaquil, is the most populous city in the Republic of Ecuador, with a population in its metropolitan area of just over three million inhabitants, the most populous metropolitan area in the country. It is also an important center of commerce with regional, financial, political, cultural and entertainment influence.

MALECON 2000

Malecon 2000, located next to the Guayas River, 2.5 km long where you can enjoy the great monuments of the history of Guayaquil, such as the Rotunda Hemicycle, museums, gardens, fountains, shopping center, restaurants, bars, food courts, the first IMAX cinema in South America, as well as docks, from where you can board boats for day and night walks along the Guayas River.
